- d. **BIDDERS INDEBTED TO THE GOVERNMENT:** The bidder warrants, by accepting the sale terms and conditions and submitting a bid, that he or she is not delinquent in paying for previous purchases of Federal personal property, including any debt administratively found due. Indebted bidders will be ineligible for contract awards until all prior debt is repaid. Debt repayment may be made at time of award.

- e. **REVOCAION OF AWARD:** "The bidder (offeror) warrants that he/she is not delinquent in the payment of any debt due the United States resulting from a prior purchase of surplus personal property. In the event the Government determines after award that the bidder has breached this warranty, the Government shall have the right to annul the contract without liability."

- g. **REMOVAL OF PROPERTY:** All property must be removed, or removal arrangements made with the vehicle custodian, at time of payment. Should the successful buyer elect to have property removed by someone other than him/herself, a notarized document must be provided to the auction facility identifying the individual authorized to remove that item. Failure to remove property within fifteen (15) calendar days after purchase may constitute a default of your bid.
- h. **DESCRIPTION WARRANTY:** Condition No. 2 of SF-114C is deleted and the following applies: The Government warrants to the original purchaser that the property listed in the invitation for bids will conform to its description. If a misdescription is determined before removal of the property, the Government will keep the property and refund any money paid. If a misdescription is determined after removal, the Government will refund any money paid if the purchaser takes the property at his or her expense to a location specified by the Contracting Officer. No refund will be made unless the purchaser submits a written notice to the Contracting Officer within 15 calendar days of the date of removal that the property is misdescribed and maintains the property in the same condition as when removed. After the property has been removed, no refund will be made for shortages of property sold by the "LOT." This warranty is in place of all other guarantees and warranties, expressed or implied. The Government does not warrant the merchantability of the property or its fitness for any use or purpose. The amount of recovery under this provision is limited to the purchase price of the misdescribed property. The purchaser is not entitled to any payment for loss of profit or any other money damages, special, direct, indirect, or consequential.

- i. **DEFAULT:** You are cautioned to bid only on those items you are prepared to pay for and remove in accordance with the terms and conditions of the sale. All items awarded to you as the high bidder are contractually yours and must be paid for and removed within the time period specified under the special terms and conditions for each sale. Failure to do so could result in termination of the contract and the bidder may also be subject to paying liquidated damages. It is the responsibility of the bidder to be cognizant of which vehicle they are bidding on. Bidding on the incorrect vehicle does not constitute grounds to be released from the award of that vehicle. Clause Number 9 of the SF 114C has been deleted and replaced with this default clause. This language serves to change the minimum amount for liquidated damages to \$325 as stated below: "The purchaser agrees that in the event he fails to pay for the property or remove the same within the prescribed period of time, the government at its election and upon notice of default shall be entitled to retain (or collect) as liquidated damages a sum equal to \$325 per instance."

In the event the purchaser fails to perform contractual obligations (payment and removal) as specified in this document, the following action applies: The purchaser will automatically be placed in default. "THIS IS YOUR OFFICIAL NOTICE OF DEFAULT". This default must be cured in accordance with the Payment and Removal clauses contained in the sale catalog. Upon the purchaser's failure to cure such default within that period, the purchaser shall lose all right, title, and interest which he or she might otherwise have acquired in and to such property as to which a default has occurred.

The purchaser agrees that in the event he or she fails to pay for the property or remove the same within the prescribed period(s) of time, the Government shall be entitled to retain (or collect) as liquidated damages the sum as denoted above. In the event multiple lots were purchased, this default amount will apply to EACH and EVERY lot for which a default has been recorded. **GSA DOES NOT GRANT EXTENSIONS OF TIME FOR PAYMENT AND REMOVAL.**
